Summary

Hellooooo :) I am Full Stack Developer & Software Engineer. I am currently working at Cybersoft Company. The company works with government and Şekerbank(<https://www.sekerbank.com.tr/>). I am currently working in Şekerbank Mobile , Internet Banking & Infra Structure department and I am developing Leasing App which covers about %60 - 70 banking domain knowledge.

I am very optimistic and energetic person to work with complex development projects. The experience I got is come from my passion. I believe the best developer, who is eager to learn new technologies and keep going to learn.
